professional skills and build a
successful career?*

ACCES Employment can help!

Business Connections en Français

Business Connections en Français helps internationally-trained bilingual business professionals find jobs that use their skills and experience. In this online bridging program, you'll join professionals from across the province in developing the advanced business communication and job search skills that you'll need to apply your international experience within Ontario workplaces.

Business Connections en Français was designed in consultation with employers, professional associations and academic institutions. The program is delivered in partnership with Collège Boréal, your French language college in Ontario.

In as little as six weeks, you'll:

- Build a strong resume and interview skills
- Expand your professional network
- Accelerate your transition into the Ontario labour market with extensive courses from Collège Boréal
- Build core business skills in sales, negotiations, data analysis and leadership
- Regularly connect with employers who are looking for bilingual business professionals

PROGRAM COMPONENTS

- Job Search and Interview Support from a bilingual employment consultant
- Referrals to job openings and connections to employers
- One-to-one Coaching to improve your English language and business communication skills
- High quality online courses from Collège Boréal, including:
 - Delivering Highly Effective Business Presentations
 - Using Client Data to Drive Business Growth
 - Professional Business Communications for Bilingual Professionals in Canada
- A focus on building your professional network through:

Why should you choose ACCES Employment?

ACCES Employment programs and services are highly specialized, offering sector-specific training designed to help new Canadians including francophone newcomers find work in their field. Each program is offered in close consultation with leading employers and academic partners and is designed to enhance (and not duplicate) your existing education.

Our first priority is to help you find full-time, permanent employment that reflects your experience. Over 80 per cent of our participants find employment in their field.

PROGRAM FEES

- The fee for this program is \$500 + HST. This fee offsets the training or academic portion of the program and may be eligible for full reimbursement through the Ontario Bridging Participant Assistance Program.
- Access to all online materials are included to participants at no additional cost.
- All other costs related to the program and employment services are generously funded by the Government of Ontario and the Government of Canada. The fee represents a small proportion (approximately 10 per cent) of the overall cost of the program.

Business Connections en Français

"We believe bilingual employees bring high value to our workplace. In most cases we pay them a premium rate. Considering the advantage of having bilingual staff in sales and service roles in our company, we anticipate increased growth in the future."

Agnes Fodor, Talent Acquisition Manager, Teleperformance Canada
