Canadian Employment Connections is an online training program that provides sector-focused training and job search services to newcomers as they prepare to immigrate to Canada. The program is free-of-charge and brings together ACCES Employment's expertise and employer connections in the following sectors:

- > **Engineering**
- > **Human Resources**
- > **Sales and Marketing**
- > **Financial Services**
- > **Information Technology**
- > **Supply Chain**

Program Eligibility

- > Committed to completing the required training (40-65 hours)
- > Approved for permanent residency in Canada
- > Currently living outside of Canada
- > Plan to arrive in Canada in the next 2 to 6 months
- > Minimum two years experience in the financial services, engineering, human resources, information technology, sales and marketing or supply chain sector
- > Fluent in English
- > Post-Secondary education

“When I landed in Canada nothing was shocking for me. I didn’t experience a culture shock or job market surprise because I was so well informed by ACCES.”

Connections to Employers

ACCES Employment offers a range of programs and services to assist you in finding employment and achieving your career goals.

All of our services and programs are customized to meet the employment and training needs of each individual. We work closely with employers to ensure that our services and programs are relevant to today's job market and that they reflect current industry trends.

ACCES Employment has a strong history of delivering results for job seekers in Canada.

"I never expected to find so many differences between finding a suitable job in my home country and finding one in Canada. ACCES helped me to understand these differences and how to promote myself in the Canadian job market."

- Nicoleta Dobrinu, Project Coordinator, University of Ottawa, Canadian Employment Connections Graduate
