# How does it work?

Through 'virtual' services and an innovative online platform, you will be guided through several learning stages to prepare you for Canadian workplaces. The program offers self-directed learning modules and one-to-one support from our team in the following areas.

## Job Search Skills

- > Learn what employers are looking for in a resume and successful interviews
- > Learn how to use social media, networking and informational interviews to access the hidden job market
- > Learn other valuable job search skills to ensure your success once you arrive in Canada

## Workplace and Business Communication

- > Access unique training modules to prepare you for Canadian workplace and business culture
- > Receive one-on-one feedback from an expert communications coach
- > Learn about Canadian business culture to ensure the success of your career

## Sector-Specific Training

- > Learn about the Canadian labour market in your sector, job trends and areas of growth
- > Learn strategies and tips for preparing for your job search in the sector
- > Access sector-specific resources, information, job postings and sample resumes

## Connections to Employers

- > Connect with mentors in your sector and learn practical tips for finding a job in your field
- > Connect with employers who are recruiting and hiring from ACCES programs
- > Participate in webinars and speaking events with employer representatives
